## THE BAPTISM OF OUR LORD

The Baptism of Our Lord cannot help but recall our own and all baptismal blessings. We recall and celebrate our adoption as daughters and sons, the gift of the Holy Spirit, and the promised company of almighty God when we "pass through the waters ... the rivers ... the fire." On this day the heavens open again, for this assembly, and we receive the gift of the beloved Son of God in bread and wine.

### JUST A THOUGHT . . .

It's a new year. You've probably made some resolutions.

Or, full of the joy of the newborn Christ-child, you're experiencing a sense of peace.

You might feel it's time for a change.

Why don't you try something different at church?

This can look however you feel it should look.

Have you always admired the volunteers who make and/or deliver lunches for the Homeless or maybe with the Children's ministries, but never did so yourself? Try it out.

Come out on Wednesday evenings for Choir, Instrumental or Band rehearsal.

Volunteer to serve in worship in any of a number of different capacities.

Or, you can make a change in your personal or devotional practices.

Take home one of the devotional booklets available on the Media Table and start morning devotions.

Listen to the hymns and praise songs in a new way. Listen to God in a new way.

Whatever attention you give to your participation at Holy Trinity is attention you are giving to the moving of the Holy Spirit in your soul. In the still and darkness of the early winter, take a chance to listen to the still, small voice of your Creator, who is waiting to interact with you in a new way.
