Ole and Clarence

Ole lived across the River from Clarence who he didn't like at all. They all the time were yelling across the river at each other.

Ole would yell to Clarence, "If I had a way to cross dis river, I'd come over dere an beat you up good, yeah sure ya betcha by golly!"

This went on for years. Finally the state built a bridge across the river right there by their houses.

Ole's wife, Lena, says, "Now is you chance, Ole, why don't you go over dere and beat up dat Clarence like you said you volud?"

Ole says, "OK, by yimmy I tink I vill do yust dat" Ole started for the bridge but he sees a sign on the bridge an he stops to read it, then he turns around and comes back home.

Lena asked, "why did you come back?"

Ole said, "Lena, I tink I change my mind 'bout beatin' up dat Clarence, you know, dey put a sign on da bridge dat says "Clarence is 13 ft. 6 in." You know, he don't look near dat big when I yell at him from across da river"

1. While sitting down, lift your right foot off the floor and make clockwise circles.
2. Now while doing this, draw the number "6" with your right hand. Your foot will soon change direction.
