Mom told her that Adam and Eve came first and they had children so all mankind was made . . . not to take her Mother's word to be true, she went to Dad and he told her that the human race evolved from monkeys . . . well, now what to believe, so she goes back to her Mother and tells her that Dad said mankind evolved from monkeysl . . . how come? . . . St. Peter and Forrest Gump, courtesy of Mike Billmann . . . sadly Forrest Gump dies and goes to Heaven . . . he is met by St. Peter, however the gates are closed and St. Peter greets him by saying that the place is filling fast and he must take a brief test in order to pass through into Heaven . . . "Shore hope the test ain't too hard; life was a big enough test as it was." . . . "No, there are only 3 questions . . . what days of the week begin with the letter T, how many seconds are there in a year, and what is God's name?" . . . Forrest says, "Well, the first

one is easy . . . that would be Today and Tomorrow." . . . St. Peter says that he didn't have that in mind, however he would accept the answer . . . Forrest answers the next one with the number 12 . . . astounded St. Peter says, "Twelve? Twelve? How can you come up with 12 seconds in a year?" . . . "Shucks, there's January 2nd, February 2nd, March 2nd, etc . . . " St. Peter accepted it for what it was worth and finally he came to God's first name . . . "Oh, I know that, it's Andy" . . . "How in the world did you come up with Andy?" . . . "Shucks that was easy . . . ANDY WALKS WITH ME, ANDY TALKS WITH ME, ANDY TELLS ME I AM HIS OWN . . . " St. Peter opened the gate and said, "Run, Forrest. Run!"
